Volume 54

District Director's Report

Karen J. Prevatt, *Master Rosarian*
813-634-1830, kprevatt@verizon.net

The fifty-fifth Deep South District

Convention and Rose Show hosted by the Gainesville Rose Society gave us a memorable weekend filled with beautiful roses, entertaining speakers, great food, stunning rose gardens, and best of all, great rose friends. The attendees numbered over one hundred; although a smaller group than in previous years, we were a very enthusiastic gathering.

Ralph & Jean Stream, as convention chairpersons, did a fantastic job and even had time to sweep the rose show awards and host us for lunch on the garden tour at their lovely home. Special guest speaker American Rose Society Regional Director Baxter Williams and his wife Patsy traveled all the way from Houston to spend the weekend with us. Also, Tenarky District Director Sam Jones and his wife Nancy joined the fun-filled weekend.

Our district's most prestigious award, the American Rose Society's Silver Honor Medal, was awarded to **Bobbie Reed** for her long and outstanding service the District. Congratulations, Bobbie, and thank you from all of us for the all the work and love you give to the District. A tireless road warrior, Bobbie travels the nation over with her husband, **Don Schwarz**, presenting programs on roses, judging rose shows, and attending rose gatherings. Oh, and in case you forgot, Bobbie is the editor of our nationally recognized Gold Medal award-winning newsletter that you are now reading.

We were all saddened to learn of the passing of **Bill Tevepaugh**, former Deep South District Director who served in the office from 1998 to 2000. Bill passed away in October. He was a very popular rose leader, rose show judge, Consulting Rosarian, and enthusiastic rose exhibitor from Atlantic Beach, Florida. Bill will be greatly missed by his many rose friends. Our condolences to his wife, Peggy, and family.

If you are just recovering from the many political campaign advertisements this fall, I don't want to send you back into a funk, but I would like to remind you that we will be electing new officers and directors for the

District and the American Rose Society next year. Just to assuage your fears up front, I am not running for any office. District directors are limited to two three-year terms and I have reached my term limit. While I usually do not publically endorse candidates, I am supporting Sam Jones of Nashville, Tennessee, in his bid for the office of Vice President of the American Rose Society. I have served with him on the Board of Directors of the ARS and believe he has the leadership qualities that we so desperately need to bring unity back to our organization. I hope you will consider voting for him for this high office.

Kitsy Mostellar, who was appointed to serve in Ed Griffith's position as Regional Director of Region 3 when Ed passed away earlier this year, will be seeking election for a full term to this office. At this point Kitsy has no announced opposition. We have two candidates so far for Deep South District Director who have announced that they are seeking the position of District Director: **Ralph Stream** from the Gainesville Rose Society and **Wayne Myers** from the Jacksonville Rose Society. Nominations must be in by January 30, 2015, and ballots will be published in the May-June *American Rose* Magazine.

2014 DSD Silver Honor Medal

Bill Langford, *Consulting Rosarian*

561-309-8736, WHL2@prodigy.net

Each year, the Silver Honor Medal is awarded to a member of the Deep South District who is also an ARS member. A representative from each participating local society in the district is asked to make a nomination. They are then asked to vote on the nominees. The president of the society appoints the representative, so if you are a society president I may be contacting you if your current representative is unable to continue their service for any reason.

The 2014 Silver Honor Medal was presented on November 1 at the DSD Fall Convention in Gainesville, Florida. The recipient was none other than the editor of this publication, **Bobbie Reed**, of Lawrenceville, Georgia. I am sure you will agree that the Silver Medal Committee chose one of the most dedicated and hardworking rosarians in our District. In addition to editing *The Bulletin*, she is a horticultural and arrangement judge, Master Rosarian, editor of the newsletter of the Greater Atlanta Rose Society, and is currently authoring a column for the *American Rose* magazine. She has been involved in many district events including chairing the 2010 ARS National Convention in Atlanta. Please join with me in congratulating Bobbie on this well-deserved honor.

Remembering Bill Tevepaugh

Wayne Myers, *Consulting Rosarian*
904-272-7885, wayneiacroses@gmail.com

Billy Tevepaugh, a Jacksonville Rose Society (JRS) giant, passed away October 13, 2014, at home in Atlantic Beach, FL. His memorial service was held October 16 at his home church, Community Presbyterian Church in Atlantic Beach.

Billy and his wife Peggy first got hooked on roses in 1967 when he was working as a chemical engineer in South Carolina. While living in Columbia, he became a co-founder of the Greater Columbia Rose Society (GCRS). In 18 years of rose growing and showing in the Carolinas, he and Peggy were among the most successful, respected, and feared exhibitors in the area. As an exhibitor, Bill was proudest of having five times won both Hybrid Tea and Miniature Queen in the same show – these shows were in four different states.

Peggy & Bill Tevepaugh

Photographer unknown

Bill and Peggy selflessly served the rose and all their rose friends. They served as officers, president, editors, event planners, and hosts for years within the GCRS. They became Consulting Rosarians and show judges and were awarded the American Rose Society Bronze Honor Medal for their years of outstanding service to the rose. They also joined and served as officers, including president, in the South Carolina Rose Society, a statewide organization for rosarians who don't live close to a local society.

The Tevepaughs relocated to Florida in 1985 when his employer reassigned him to Jacksonville. Bill and Peggy immediately joined the JRS, resuming their active service to the rose. By 1991 Bill began his first term as president of the JRS. He served three terms: 1991-1993, 1994-1997, and a joint term with Peggy in 2003-2005. The JRS awarded Bill and Peggy the Bronze Honor Medal in 1998 as a token of appreciation for so many years of dedicated service.

Bill served for decades as a rose show judge and Consulting Rosarian (CR) within the Carolina and Deep South Districts (DSD). An enthusiastic exhibitor who specialized in exhibiting Miniature roses, Bill won awards and made lifelong friends at shows and conventions throughout the Carolinas and Deep South. Always eager to share his love for the rose with others, he taught at Consulting Rosarian and judging schools. In 1995 he was recognized as the DSD's Outstanding CR, the highest honor for a local CR. In 1996 he chaired the committee when the JRS hosted the annual DSD show and convention. In 1997 he was elected as Director of the DSD, serving until 2000. As a District Director, he served on the American Rose Society Executive Board during his term in office. In 2004 he was honored by the DSD as a recipient of the ARS Silver Honor Medal, the highest level district award.

Bill is credited as the originator of the JRS's unofficial motto—"Roses grow in

Jacksonville.” He was such a great source of knowledge and wisdom. For years he shared his rose-growing expertise in the *Buds & Blooms* newsletter and provided horticultural recommendations at JRS monthly meetings.

All rosarians who knew Bill have stories of how he became their friend while mentoring and improving their enjoyment of roses. For *Ray Guillebeau*, who has assumed Bill’s mantle as a top Mini and Miniflora exhibitor, Bill was the primary mentor who inspired his love and success as an exhibitor, while also becoming a great personal friend and father figure. *Chris & Mabel Keller*, who are the JRS’s top Hybrid Tea exhibitors, glow when they share how Bill’s suggestions helped them prepare the roses that were their first ever to make the awards table. *Wayne Myers*, now a Master Rosarian and past JRS co-president, loves to tell the story of how Bill’s coaching transformed a promising ‘*Queen Elizabeth*’ Cycle-of-Bloom entry into Wayne’s first ever rose show award winner.

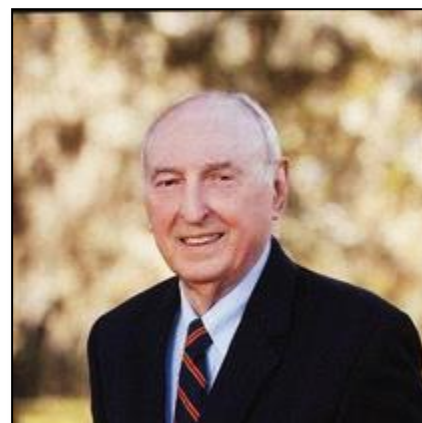

Although poor health prevented Bill and Peggy from attending JRS meetings the last few years, their contributions to JRS will live on. Bill was a great friend and person – he will be missed. We try to live his favorite advice: “Roses are prettiest when shared.”

Remembering Tom Mullins

Jean & Ralph Stream

352-591-4474, streamj@gmail.com

Dr. John Thomas Mullins, age 82, Professor Emeritus of Botany at the University of Florida, passed away on Wednesday, November 26, 2014, at North Florida Regional Medical Center after a brief illness. He was born in Richmond, Virginia, on November 18, 1932, the son of Fitzhugh Xenophon Mullins and Margaret Frances Lane Mullins. He attended school in Highland Springs, VA, through high school where he excelled in athletics and was active in student government. He graduated from the University of Richmond with a Bachelors and a Master of Science Degree. He was a member of the Phi Delta Theta fraternity. He earned his PhD in 1960 at The University of North Carolina at Chapel Hill. He joined the faculty at the University of Florida in 1959 teaching Biological Sciences and Botany for forty-four years until retirement in 2004. He did a year of post-doctoral work at Harvard University and two years at the National Institutes of Health in Bethesda, MD. He was a long-time member of Sigma Xi.

Tom enjoyed gardening, especially growing roses, and was an active member of the Gainesville Rose Society (GRS), The American Rose Society, a long time American Rose Society Horticultural Judge, and a Master (Consulting) Rosarian. He was the longest serving CR for the Deep South District (since 1974). Tom served the DSD as past Treasurer, and served GRS as a past President as well as Treasurer for the past several years. He has been awarded the Outstanding Consulting Rosarian award and the Bronze Medal award. His roses brought him great pleasure and numerous awards over the years.

Tom was preceded in death by his parents and his sister, Margaret Mullins Ansty. He is survived by his devoted wife of 60 years, Shirley Osbourne Mullins of Gainesville, who was his childhood sweetheart having met in the eighth grade. They married in 1955 in Richmond, VA. He is survived by three children and five grandchildren, Stephanie Lane Mullins (Robert Wayne Kipping of Minneapolis, MN) of Gainesville; John Thomas, Jr., (Jennifer Murray Mullins and John Thomas Mullins III) of Boca Raton and Hilary Mullins Green and husband Dr. Preston Tabb Green (Hadleigh Elizabeth Green and Ansley Starr Green) of Gainesville, his brother, Dr. Fitzhugh Xenaphon Mullins, Jr., and wife Lillian of Louisville, KY, and many nieces and nephews. He adored his grandchildren who affectionately called him "Grin".

Vice District Director's Report

Phil Paul, *Consulting Rosarian*
941-345-4911, rosesrus65@verizon.net

We continue to update and correct the DSD website. An important new addition is information on the combined Mid-Winter Conference in Savannah, GA. Right now the registration information is posted and has a December 9th date for your registrations. After that the price goes up \$5. [Also see the registration form on page 22.]

December 10th is the cutoff date for the Savannah DeSoto Hilton special ARS rate. All this information is on the website under Upcoming Events > Joint Mid-Winter Meeting 2015. Then scroll down to Registration Form.

The Schedule is a draft as Karen is waiting for some additional programs from the Carolinas District. Stay tuned to this site as we will post the updated data just as soon as it is released.

I am working with Stephen Hoy to post the most recent rose photography contest information. That will be posted in "The Photo Gallery".

Since we made these changes I am afraid we have not had any new contributions to the site. We all wanted an updated site but it won't stay up to date if we don't contribute some "newness!" PLEASE?

New Project

Last year I reported on a very successful project working with The Manatee County Central Library. It all started with the ARS Rose Month Program where we presented the library with a copy of *Modern Roses 12* and about 20 of Lat Farr's books. **Ron Mallory** and I also contributed books and publications. Within two weeks every book on roses was checked out of the library. A real indication of the interest in this area on roses.

This year the Manatee Library System came back again but wanted three presentations at various branch libraries as well as at Central. The attendance was good and everyone received information on joining the Bradenton-Sarasota Rose Society and

ARS.

In another area, I work with the Master Gardeners who operate as part of the University of Florida's Agricultural Extension Service. We jointly conducted a two-hour workshop on selecting and growing roses with the help of the Master Gardeners and the Extension Agent.

Later in the summer we sold our home and the Extension Service was the beneficiary of some of my best roses. When we did the above mentioned talk there was only one very fine '*Louis Philippe*' in the Demonstration Garden in Palmetto, Florida. The Extension Agent and I discussed the possibility of expanding that token plant with some contributed roses and a new program was born.

We now have a team of seven Master Gardeners, each responsible for two plants. A session was held to define the program. There were some good ideas presented by the group. Those are now being prioritized. A budget is being developed. A class on pruning was held in the fall and while the plan was for each Master Gardener to prune their assigned plants, the dynamics of this group decided to group prune the first few roses and then the adventurous people immediately made quick work of their assigned plants. The session was to go for about two hours but the group insisted on three hours and ended at noon with a request that we have these sessions monthly. I have agreed to be their consultant because, unlike many programs I have seen, these people really are committed to building a first class Demonstration Garden for roses and building their own knowledge as they do it. They WANT TO DO THE WORK not stand by and watch!

Right now I am spending most of my CR time on these two projects, which will intersect because the Ag Agent wants each Master Gardener to build Data Sheets on their assigned roses. The intersection is the great contribution of ARS and other rose publications given to the Central Library last year that will assist them in their research. Another terrific resource is The Bradenton-Sarasota Rose Society Website. It has, the last time I heard, over 300 rose data sheets with photos of each rose. (Check it out! www.b-srs.org). Two Master Gardeners told the rest of the group that they had been using the site since last year. We just never know where our efforts will be appreciated.

This is a great experiment in building exceptional Master Gardeners as voices out in public who can expand local interest in roses and our local rose societies. They offer a plant consulting service in Palmetto four days a week. We desperately need to expand our work beyond our own walls. I remember it was *Russ Bowermaster* speaking at Ringling's Rose Garden that brought me to B-SRS and the ARS many years ago.

More on our progress in future issues. Would this be a useful idea for your society? Every county has an Ag Agent – do you know yours?

Horticulture Judges Review

Jim Small, Master Rosarian

407-628-3874, jsmalljr@cfl.rr.com

I have recently returned from the Deep South District Rose Show and Convention held in Gainesville, Florida, October 31-November 2, 2014. Although I was unable to attend any of the programs due to my duties as chair of horticultural judging, I understand they were excellent. The District Rose Show featured an impressive number of entries for the ARS and District Challenge Classes. There were five entries for the Rosedale Bowl and six for the McFarland Memorial Trophy, an impressive number in comparison to past years. Even the problematical Ralph S. Moore Trophy competition (seven miniature roses) had two entries. I have written in the past about how splitting the miniflora and miniature roses into separate classes has affected this competition. Many exhibitors in our area no longer grow enough miniature roses to compete. Unfortunately, there were no entries for the Deep South District Bulletin trophy (three floribunda sprays) or the Johnston Old Garden Bouquet Trophy. The other District challenge classes, however, had good competition, particularly for the Director's Miniflora Rose Trophy. The queens of show were outstanding and the awards table beautiful. I want to personally thank the Gainesville Rose Society for all their hard work in putting on this District Convention and show. It was an excellent experience for all who attended.

The small number of rose shows in our District continues to be a problem for us judges and our hobby in general. While we did resurrect the rose show here in Orlando this year, it was small and it is unclear how long it will be sustainable. We were saved by the appearance of two out of town exhibitors (thank you), as few in our local society entered blooms. Indeed, the number of society members attending was small. I don't think these problems are unique to Orlando. We seem to have too few active exhibitors these days overall and a dearth of interest in competition. Some have suggested that if we do away with competition, i.e., go the "rose festival" route, we would generate more interest. I have seen little evidence to support that idea. I know that the ARS has inaugurated a survey of local society presidents to assess the status of rose shows nationwide and is trying to chart a course forward for the exhibition of roses. We can only hope things improve in the future so that the hobby we have all loved will not pass with the times.

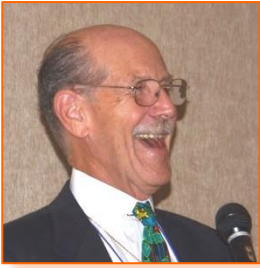

Our list of Deep South District Horticultural Judges continues to get smaller. **Bill Tevepaugh**, one of our long-time judges, passed away recently. I knew Bill well, judging with him on several occasions and competing with him at many roses shows. Bill was an excellent judge and exhibitor as well as a fine person. He will be missed.

It is that time of year again, the time when I send out a request that each of our judges submit their annual report. Look for the form in your e-mail soon and please submit it. I use this information to update my records and assess the status of judging in our district.

Finally, I would like to wish all of you a wonderful holiday season. I look forward to seeing you at the Midwinter meeting and at upcoming shows in the spring.

Arrangements Judges Chair

Jim Harrell, *Consulting Rosarian*
912-634-0323, jim@fairmarsh.com

The 2014 rose season is over and we should all be making plans for the upcoming year. I hope all of you had fun in your forays into rose arranging this year and are making plans to try even more new and creative things in 2015.

Participation in the arrangement section of the District Show was good this year, but more of you still need to step up and accept the challenge of exhibiting at the District Show. I know it takes planning and effort to bring arrangements to a District Show, but, for several reasons, it is important to participate.

Congratulations to the DSD Challenge Class Winners at the Fall District Rose Show. **Jeff Hoffman** won the Deep South District Challenge Trophy and **Sara Coleman** won the District Director Miniflora Arrangement Trophy. Both Jeff and Sara came up with unique, creative interpretations for their designs.

We hope everyone enjoyed the Arrangement Seminar at the convention. We all learned more about using “Creativity and Expressiveness” and “Distinction” to take our design efforts to the next level. A big thank you to **Sandy Dixon** for developing the “Tell-Tale Workshop” hands-on session. Her creative assignments and class themes made the exercise fun for all the participants. I know everyone enjoyed the challenge of working as teams and creating designs with assigned materials. It even inspired a new participant to exhibit in the show on Saturday! Congratulations to **Willie Mae Burley** on winning the Novice class.

The Friday Arrangement Seminar on January 9 at the Mid-Winter Meeting in Savannah, Georgia, will have a unique expanded format that allows ARS Judges to audit for credit. The curriculum will be divided into two sessions, a morning session on Traditional Arrangements from 9:30–11:30am conducted by Bill Patterson, the Carolina District Chair of Arrangement Judges, and Linda Boland. The afternoon session will run from 1:00pm to 3:00pm and will be on Modern arrangements. Sandy Dixon and I will be the instructors. There will be lots of useful information for participants at all skill levels in both sessions. You are encouraged to come if you are interested in arranging, even if you are not and do not wish to become a judge. You may attend just one or both sessions; judges will receive two points of credit for each session. The registration fee will be \$10 for each session. Hope you can attend.

Attention, arrangement judges! Your Annual Judge’s Reports for 2014 are due by February 1. You will soon receive the form by e-mail as a PDF. If you have the current version of Adobe Acrobat Reader you may fill out the form in the PDF and return it to me by e-mail. You may also print it, then fill it out and return it by regular mail, if you are not comfortable using the electronic format. For those of you who still don’t have e-mail, I will mail it to you.

Have a wonderful holiday season and a happy New Year.

Consulting Rosarian Report

Ralph Stream, *Master Rosarian*
352-591-4474, streamj@gmail.com

In seeing all the nice entries at the Deep South Fall Rose Show, it came to me how obvious it was that our CRs are the ones who know how to grow great roses for showing. I know that the CRs are not keeping any secrets, other rosarians just need to listen and learn and then apply this knowledge. It is no big deal getting and growing good roses. Just determination, something that seems to be missing in our society today. Many years ago when I first started this rose hobby, everyone had the goal of being the best they could be. These days I see only social interest. How did we get so un-motivated, or have all the old-timers just left town (something to think about)?

Our 2015 Mid-Winter Meeting in Savannah, GA, is just around the corner. We have many CRs still needing to re-certify for 2014 and quite a few for 2015. Those who fail to re-certify for 2014 at this 2015 MWM will automatically be placed on the inactive list, there is no grace period beyond the 4 year requirement to audit or obtain 4 credits through seminars. I will be sending e-mails to those who need to audit. Any person wishing to take the CR exam to become a Consulting Rosarian will need to get all their paperwork to me by December 31, 2014. Anything later will not be processed in time. Please, if you are thinking about becoming a DSD-accredited CR, get in touch with me in a hurry.

Again, I am reminding every CR to send me your Annual CR report (attached within these pages). This report is required by our District and I have been letting failure to do so slide, but I now will be placing any CR who does not do this report for 2 years on the inactive list. I won't be dropping you, but you will be listed as probationary. We have worked to make this report very simple, 5 minutes to process. Your CR reports are the tool the CR Chair uses to determine who deserves outstanding recognition. So please let's do better than a 55% response. These CR reports are due to me by February 1st each year. Thanks to those of you who do send your reports in a timely manner.

Applications are now being accepted for the Master CR status (this form can be found on the DSD website). Requirements are ten full years of consecutive ARS and local society service. Here again be expecting an e-mail from me letting you know you qualify. This is not automatic; I need your form back by the August 1, 2015, deadline.

We are in need of new CRs. In the past 5 years I have seen the DSD CR list drop by 20%. This is due to a lot of reasons, most of which we all know. We all know this is happening and we need to get good rose lovers involved as CRs. Please encourage any rose person you know to consider this worthy and rewarding aspect of our rose loving hobby. I hope to see many of you at the MWM in Savannah.

CONSULTING ROSARIAN ANNUAL REPORT

DEEP SOUTH DISTRICT

All CRs are required to fill out and submit this form to remain on the active list.

Name: _____ Date: _____

Address: _____

City/State/Zip: _____

Phone: _____

E-mail: _____

Rose society or club: _____

Titles of offices held or committees chaired this year? _____

Year you were appointed a Consulting Rosarian? _____

ARS Membership current? Yes _____ No _____

Date and location of last Consulting Rosarian School attended/audited: _____

Date and location of attendance at an approved Consulting Rosarian Seminar: _____

Did you attend any District or National convention? If so, please list: _____

Did you submit the R. I. R. report? (Not required, but expected.) Yes _____ No _____

R.I.R Comments: _____

Did you complete and submit the Annual CR Report last year? Yes: _____ No: _____

List rose related programs you presented this year: _____

Did you write any articles pertaining to rose culture this year? Please list publications and dates: _____

Please list rose related activities you were involved in as a CR this year. List by activity, date and group: _____

What, if any, pesticides did you use in your garden and your assessment of their effectiveness against which diseases, insects, mites, etc. you would recommend:

How many new members for your Local Society or the ARS did you recruit? Please list names:

Please list any project you wish to accomplish in the coming year (e.g., giving rose-related programs, programs for garden clubs, writing articles, etc.): _____

Do you have any suggestions on how to make the CR Program more effective and challenging?

If you feel that being an active CR is too demanding and stressful, would you consider a change of status to Emeritus? Please state your reason why or why not: _____

Report to be submitted to:

Due Date: February 1
Ralph Stream, District CR Chair
Address: 21465 NW 39th Terr
Micanopy, FL 32667

E-mail: streamj@gmail.com

(Rev 8-14) (CR Annual Report 14)

Membership Musings

Kitsy Mostellar, *Master Rosarian*
770-980-1680, kmostellar@juno.com

Each local society has the task of promoting membership in it and in the ARS. You may already have lists of suggested ways to do this, but here is another listing from a long ago Membership Committee. Of course, we all know many of these, but you may find something new to try or think of some on your own. I hope you will be inspired by these and attract new members. Let us know of your successes.

Membership suggestions to attract and retain new members

- 🌹 Every society should have an active Membership Chairman.
- 🌹 Be involved in some community effort – Garden show, Farmers' Market, Fair, etc.
- 🌹 Advertise your rose show. Have a section for juniors and encourage their participation.
- 🌹 Have a section for non-society members, the general public. For the best bloom from a nonmember award a society membership
- 🌹 Set up an information table at your show, at the Home and Garden Show, Fair, etc.
- 🌹 Have a drawing for a free rose bush.
- 🌹 Encourage members to take roses to work, to various merchants, bank, etc. Include list of roses that do well in your area and promote availability of Consulting Rosarians to advise and/or give talks to groups.
- 🌹 Advertise an "Open Garden" or two during prime season. Encourage nonmembers and general public to attend.
- 🌹 Have a Pruning Demonstration at a member's home or even a prospective member's!
- 🌹 Offer to be available at local nursery to answer rose questions
- 🌹 Promote a private pruning service with donations accepted.
- 🌹 Publish a "Rose Book" with planting, growing, and care tips.
- 🌹 Keep reviewing the fundamentals so that new members/visitors will feel comfortable.
- 🌹 Consider a mentoring program for your new members... CRs love to offer help.
- 🌹 Keep meetings enjoyable with a welcoming atmosphere!!
- 🌹 Smile!!

Deep South District Garden Fund

Memorial donations have been made to the Deep South District's Garden Fund in memory of Oline Reynolds from *Montine Herring*.

Call for Nominations for Miniature and Miniflora Rose Hall of Fame

Dr. Jim Hering, Chairman, ARS Miniature/Miniflora Rose Committee

rosehering@roadrunner.com

The ARS Miniature and Miniflora Rose Hall of Fame honors miniature and miniflora roses that have stood the test of time in commerce for at least 20 years. Now, it is your opportunity to participate in this process by sending in your nomination(s), (five or fewer). A short list of the most popular miniature and miniflora roses that are 20 years or older can be found at the end of this article. Criteria for the Hall of Fame can be summarized as follows:

1. The variety must have been introduced at least 20 years prior to the year the award is given. Introduction date will verified by the latest edition of Modern Roses.
2. There can be multiple winners in any year.
3. Varieties for consideration are solicited from the general membership through an announcement in the **American Rose** magazine, on the ARS web-site, in the Miniature Rose Bulletin and in district and local bulletins. Nominations are to be sent by April 1, 2015 to:
Dr. Jim Hering
1050 Kingwood Drive
Marion, OH 43302
rosehering@roadrunner.com
4. The Chairman of the Miniature/Miniflora Rose Committee will prepare the tabulations for selection by the full committee by ballot.
5. Formal announcement of the winner(s) will take place at the ARS National Miniature Rose Conference.

Nominations must be received by April 1, 2015. Winners will be announced at the 2015 ARS National Spring and Miniature Rose Show and Conference, which will be held in Columbus, Ohio, June 12-14, 2015. Contact Brian Burley, 614-846-9404, bburley1092@yahoo.com for information.

ARS 2014 Convention – Roses in the Piney Woods

Karrie Masee, masseek@aol.com

When my friend Lyndy Myers suggested that I go to the National Rose Convention in Texas, I was somewhat reluctant. I always enjoyed the District Conventions, but did not see what the difference would be besides cost.

Reluctantly, I agreed to go. Boy, was I wrong. The level of the speakers was fantastic. These were experts in many of the issues we as rose gardeners are trying to deal with. They had the newest research on items such as chilli thrips and rose rosette disease. Then it was fun meeting people from all over the USA who love roses. This was one of the friendliest conferences I have ever attended. Everyone was nice and talked to you. Then the quality of the roses in the show was worthy of a national show.

I had never been to the American Rose Society's headquarters in Shreveport. In fact, I had been told by several people don't bother to go. It is an embarrassment for ARS. I was curious nevertheless. Actually I was pleasantly surprised. The main building is lovely. Quite large, bright, and well designed. The gardens were hit hard by a freeze last year but have had a lot of work done on them. They desperately need a lot of new roses. But the beds themselves are being maintained. I gather that there is a lot of politics about the rose beds, but hopefully things will continue to go in the right direction. The gardens are so important as a representative of ARS; the goal should be to make the gardens beautiful in a functional and educational way. The garden manager should design the beds and the different districts should just help to pay for the roses and the maintenance. I just hope the Headquarters of the ARS can continue to improve and we should all work to that end.

I also attended part of the next day's tour. I made the mistake of not allowing enough time for the tours that had been scheduled. What I did see was such a treat. I have learned that the post-convention tours are a wonderful way to see many interesting and even important gardens wherever you are.

I would recommend to anyone to go to any convention that you can. They are fun, interesting, and a great way to make new friends and learn about roses.

I learned so much and am determined to work on improving my roses. Even if I don't succeed in that, I made many new friends. Next time I will persuade Lyndy to go.

Rhythm & Roses in Gainesville

The 2014 Deep South District Convention & Rose Show

Jean Stream & Ralph Stream, Shirley & Tom Mullins

The 2014 Deep South District's Fall Rose Show and Convention was truly a memorable event. Attendance, though, was approximately one third less than

anticipated. Things can really get crazy trying to decide what activities to attend during the fall months with so much happening at the same time. Jean had to give up her work at the local Historical Society yearly Fall Festival to be at this convention.

People started showing up on Thursday afternoon to help with our set-up of display tables and show area. Our hotel, the Best Western, was phenomenal in providing everything we needed to set up the show area, prep area, vendors, and registration tables. What a pleasant and wonderful group of people to work with! Our registrar, **Kay Harrell**, appeared with our beautiful name badges and the final record of registration. Kay has helped with registration many times and all of us know and appreciate the importance of her attention to accuracy and details. What a beautiful job she did for us. Thank you, Kay!

Friday afternoon our Vendors and the GRS registration team were ready for arriving guests. These folks greeted everyone, handed out name badges, welcome bags, sold raffle tickets, gave out roses and door prizes while vendors sold their beautiful roses and rose care supplies.

Friday afternoon started the weekend off with an outstanding arrangement workshop led by **Sandy Dixon** and **Jim Harrell**. Approximately 26 came to learn how to make the average arrangement an **Exceptional Arrangement**. It was fun learning together in teams.

Friday evening we were treated to a delicious soup, salad, sandwich, and dessert buffet. No one went away hungry. The evening was meant to be a fun time and with our piano player, James Gilbert, helping us with a “sing-a-long”, it was fun. The evening was concluded

with our great Hospitality gathering hosted by **Dan Mills** and **John Tucker**. The selection of snacks, much of which was provided by about 15 conference attendees, was so delicious.

Saturday morning came quickly for those who brought roses to exhibit. We had 14 exhibitors who brought approximately 2,000 blooms (the biggest Fall Convention Rose Show in recent memory). The show had top quality blooms in every class. The show area was very cool which helped keep the blooms fresh all day. The most coveted class, The National Revolving “**Rosedale Bowl**”, was open for exhibitors. This only comes to our District once every 18 years, and what an honor for us (**Ralph & Jean Stream**) to take home the trophy. There were six amazing entries with remarkable roses, all worthy to win. We also had “**Queen**” of Hybrid Teas with a jaw-dropping “**Jewel Grace**” bloom.

Andrea Maceri and Sara Coleman were among those working on assigned designs at the workshop. Photo by Jean Stream

“Tea for Two” by Jeff Hoffman won the DSD Challenge [left], and “Miniature Overture” by Sara Coleman won the District Director’s Miniflora Challenge

'Jewel Grace', exhibited by Ralph & Jean Stream, won Hybrid Tea Queen

'Tammy Clemons', shown by Cindy Dale, won Miniflora Queen

'Memphis King, shown by Ralph & Jean Stream,' won Miniature Queen

'Pink Rosette', shown by George & Judy Lawler, won Floribunda Queen

'Louis-Philippe' won Dowager Queen, while 'Soncy' won Victorian Rose. Both were shown by Tom & Shirley Mullins

We had one scheduled program for Saturday morning starting after exhibitors were finished. **Walter Reed** presented a CR Credit Seminar on ***Chemical Safety and Equipment Usage***. Walt, as always, did a great job presenting this subject. Thanks so much, Walt.

After lunch our second program was presented by **David Johnson** from South Carolina. David is the ***Mid-Atlantic and South East Sales Representative*** for Weeks Roses. David's program was about "***What's new at Weeks Roses***". He talked about how they were working on hybridizing for fragrance and disease resistance and how things are changing throughout the rose industry. David has been in the Horticulture business for 30 plus years. He talked of the impact that certain restrictions have made for all plant growers, not only roses, as well as some things we should be looking for in the future. Weeks donated rose plants for every attendee, which was greatly appreciated.

Baxter Williams from Houston, TX, was our final speaker for the afternoon.

His talk was a light humorous delivery of *“Things I wish I learned sooner”*. Baxter kept us entertained with songs, poems, pictures, and examples of his mishaps and tribulations. After growing roses for half a century and traveling nearly everywhere, there is nothing he has not seen, even a time when roses were planted upside down. What a fun guy to be around, we thank him for being available for our convention.

At 4:30 pm it was **Raffle** time. We had 42 items that were donated by club members, friends, vendors, and rose societies. Congratulations to **Ron Kast** for winning the most items (he had to have purchased a couple hundred tickets). We made about \$900 on the raffle and we do thank all who supported with supplying items and purchasing tickets. It was a wonderful selection of great baskets and great items!

The Awards banquet was lovely with arrangements designed by **Ann Sherwood** and made by her and her GRS team. This was well attended and our dinner was served hot and delicious. The serving staff was top notch! Our entertainment was beautifully done by our Green ladies, Hadleigh and Ansley Green (granddaughters of Tom & Shirley Mullins) with their violin and viola. Beautiful girls and beautiful music. Our District Director, **Karen Prevatt**, gave us words of encouragement and invited all to the upcoming Mid-Winter Meeting. The rose show top winners in Horticulture and Arrangements were recognized by **Jim Small** and **Jim Harrell**. The outstanding CR award went to **Marty & Elaine Pawlikowski** and the DSD Silver Honor Medal went to **Bobbie Reed**. We congratulate all the District award winners for their hard work and dedication. **Sam Jones** from

David Robertson's rose garden on tour. His garden concentrates on masses of blooms.

Nashville, TN, announced that he is running for ARS VP. After the banquet the remaining rose show was torn down, trophies given out and everyone was off to the hospitality area. The end of another fun day.

Sunday morning 40 or so gathered to take the rose garden tour. Two stops were planned. The first stop an outstanding garden of mostly Hybrid Teas, was at **David Richardson's** in Earleton. Our garden (**Ralph & Jean's**), was the second stop several miles south in Micanopy. This garden features approximately 200 plants of all classes except OGRs. We grow mostly exhibition roses and this garden has produced over 70 Queens of show in the past 20 years. Ralph is always looking for new varieties, hoping all the while for the “perfect” rose. Hopefully many were inspired as they enjoyed the flowers blooming in these gardens.

Another approach to beautiful roses: Ralph & Jean Stream's garden produces many queens

Lunch was served at the Streams', and by this time, the weather had warmed up and everyone enjoyed eating a nice lunch before

heading home after a fun weekend.

When you look at this write-up you will note that only a few names are mentioned. As you well know, it took much more than a few to accomplish it. The wonderful ARS Judges who did a fine job, Jorge Negron, the Hotel Director of Catering (and other hotel leaders), the many Gainesville Rose Society members, as well as several other folks were key players in the preparation and work. Without any of these workers the quality of our convention would have suffered. What a great way to spend the weekend. *Thank you one and all!*

The next opportunity to get together with our rose friends is in Savannah in January, at the Deep South/Carolina Districts Joint Mid-Winter Meeting. Information on the meeting follows. See you there!

Upcoming Convention Information

Deep South & Carolina Districts MidWinter Meeting

Karen J. Prevatt, *Master Rosarian*
813-634-1830, kprevatt@verizon.net

If you missed our convention in Gainesville, please make every effort to attend our next gathering **January 9-11, 2015**, in Savannah, Georgia, for our Mid-Winter conference. This will be a very special meeting, as we are co-hosting the event with our sister district, the Carolina District. We have planned a spectacular weekend which we are calling “Savannah Magic”, in one of America’s most historic cities and premier tourist destination. Often called the South’s most “Southern City”, Savannah is truly magic. Avoiding the burning and looting of

General Sherman’s troops in the infamous march through Georgia during the ending days of the Civil War, the historic district of the city stands today as a pristine showcase of colonial America.

The fun starts Friday morning, January 9, with an extravaganza arrangement workshop for rose arrangers and those wanting to learn to make those beautiful rose arrangements you see at the rose shows. The Deep South District Chair of Arrangement Judges, **Jim Harrell**, has worked with the Carolina District Chair of Arrangement Judges, Bill Patterson, to present two workshops: the first session from 9:30am to 11:30am and the second session from 1:00pm to 3:00pm.

For those of you who do not fancy creating rose arrangements, we have a special trolley tour of the historic and Victorian sectors of Savannah. The architecture, historic squares, walled gardens and the fountains are a feast for the eyes. Our vendors will also be on hand Friday afternoon with rose bushes, garden goodies, and horticultural supplies. If you want something special, please call the vendors and place your orders ahead of time so you can be sure they will bring the supplies you want to the meeting.

We have a Friday evening welcome dinner to give you a chance to meet up with your friends and make new friends. Our hospitality suite will be open in the afternoon and after dinner for your pleasure.

Saturday events include educational programs, including **Sandy Lundberg**’s ever popular “Sandy’s Picks” featuring new roses we want to keep an eye out for in the coming season. We will also have a short introduction of candidates seeking national, regional, and district offices. This will give us an opportunity to hear their vision for the future of our organization. We will have afternoon breakout sessions for our respective district business meetings. The Saturday evening awards banquet will recognize outstanding leaders from the Deep South District and the Carolina District and honor all Bronze Medal winners.

On Sunday morning the Chair of our Consulting Rosarians will present a school for consulting rosarians who want to receive continuing certification credit, and for those who want to become Consulting Rosarians a test will be administered. If you are interested in taking the test please let Ralph Stream know ahead of time.

See you in Savannah!

Hotel cutoff date at this special rate is December 10. Room rate also available on Jan. 8 and Jan. 11

Please make reservations with the hotel directly.

Rose Show Results

The Bulletin attempts to provide a complete list of local and district rose show results in each issue. For this to occur, someone at each rose show must gather and transmit complete results, as an Excel (preferred), Word, paper, or e-mail document. Results should be sent within one week after the show, and should include class description, winning rose(s), and exhibitor's name, plus arrangements theme and additional awards (medal certificates and rosettes). These transmissions are in addition to those sent to the ARS national horticulture and arrangements quarterlies. Your timely cooperation is appreciated. — *The Editor*

www.coolroses.com • (561) 684-2421

Debbie's Delight (S) Seedling of Summer Wind
Named for Debbie Coolidge, it has a large iridescent pink blend fragrant bloom, borne singly. It is very hardy and disease resistant.

Can't Wait (MinFl) Seedling of First Kiss
Yellow high centered blooms borne singly develop medium pink edges as mildly fragrant flower opens. Very disease resistant.

Rhapsody in Red (S) Seedling of Excite
This dark red ruffled semi-double prolific bloomer is borne in small sprays on a medium sized disease resistant bush with dark green semi-glossy foliage. of David Austin.

Shar My Love (S) Seedling of Summer Wind
Named for Sharon Whitcomb, This mildly fragrant single is a pink blend with creamy white center. It is very hardy and disease resistant.

My Desire (HT) Dainty Bess x Excite
A very large pink blend semi-double bloom with medium green semi-glossy foliage. Bloom lightens with age as stamens darken to purple. It is hardy and disease resistant.
