

2016 ARS
All Miniature National Convention
PHOTOGRAPHY SHOW SCHEDULE

RULES:

1. ALL photographs will be accepted for entry on Saturday, July 30, 2016, between 7:30 am and 10 am. Entries should be given to the photography placement committee in the convention showroom.
2. All photos will remain in place until the close of the show on Saturday. Any remaining photos after 8 pm will become the property of the York Area Rose Society of the ARS and may be sold or become a part of an opportunity drawing. All rights to the submitted photographs are retained by the owners of the photographs. However, by submitting a photograph to the contest, the exhibitor (1) warrants that he or she owns the copyright of the submitted photograph and is not legally prohibited from submitting it to the contest, and (2) agrees to allow the York Area Rose Society to display the photo at the 2016 ARS All Miniature National show in Grantville, Pennsylvania, and publish the photograph in *American Rose* as well as the Penn-Jersey District Newsletter.
3. Exhibitors need not be a member of any rose society but MUST be registered for the convention.
4. All photographs must be the work of the exhibitor and must be the work of a single exhibitor. Entries from the same garden may be exhibited by multiple members of the same immediate family as Exhibitor Grown.
5. All roses photographed must be outdoor grown roses.
6. If the rose photographed was grown by the photographer, the exhibitor should indicate such by writing "EG" in the upper right corner of the entry tag. This includes arrangements. Photographs that are EG are eligible for Gold, Silver, and Bronze ARS Medal Certificates.
7. Exhibitors may enter no more than two (2) photographs in any one class unless specified. A photograph may not be entered more than once. A photograph entered in more than one class will not be judged in any class.
8. Previous winning photographs, defined as First through Fourth Place in the ARS Digital Photography Contest or ANY national photography contest, may not be entered in this show.
9. First, Second, Third, and Fourth Place awards, or no awards, may be given in each class. Multiple First through Fourth Place ribbons may be awarded in each class at the discretion of judges. There will be a Queen, King, and Princess chosen from the best in class winners. The court will be determined by point score ballot.
10. Due to the displaying of photographs, stickers will be used for First, Second, Third, and Fourth place. Ribbons will be available for contestants upon request. Please see Curtis Aumiller to request your ribbons.

11. With the exception of seedlings, rose varieties photographed MUST be entered under ARS approved exhibition names as listed in any of the following official ARS publications: *Modern Roses 12* (book and database), the *Official List of Approved Exhibition Names for Judges & Exhibitors*, the *Handbook for Selecting Roses*, or “Recent Registrations” on the ARS website. In cases where a variety is not listed in any of the above ARS publications, a listing in the *Combined Rose List* is acceptable.
12. Photographs taken with film or digital equipment are equally welcome. The use of photo editing should be kept to a minimum for photographs. Editing is limited to cropping, rotation, lightening, darkening, minor clean up corrections for camera sensor dirt, or sharpening of the image. Overuse can be cause for point deduction, but alone is not a disqualification. Use of any aspect of photo editing software is allowed in the creative impression classes.
13. All photographs are to be mounted (that is with a backing board of art board or foam board) and matted (the art board “frame” that goes on top of the photograph).
14. Outside dimensions of the mat are to be 11” x 14”. No larger and no smaller. Orientation may be landscape or portrait.
15. Photographs may be no smaller than 5x7 and no larger than 8x10. Non-standard shapes are welcome (e.g., oval, diamond, triangle, etc.), as long as the mat opening fits within the largest acceptable 8x10 opening and is not less than the smallest acceptable 5x7 opening (allowing for minimal overlap of the mat on the photograph). Color of the mat is at the discretion of the exhibitor.
16. The Photography Committee shall place all photographs in the show. Non-matted photographs shall not be acceptable for either judging or display. Non-mounted photographs MAY be displayed (not judged) only if there is adequate room for display.
17. Exhibitors must completely fill out ARS horticulture OR arrangement entry tag and then attach it to the upper left hand corner of the matting with a paperclip. The exhibitor may place nothing identifying the photographer on the front of the photograph, other than the folded entry tag. Exhibitors are encouraged to put some type of identifier on the back of the photo entry in case the tag is misplaced.
18. The Photography Committee will exercise due caution in protecting all exhibits, but neither the American Rose Society, the York Area Rose Society, nor the Hotel, will not assume any liability in loss or damage to property.
19. Judging shall be in accordance with the current ARS *Guidelines & Rules for Judging Rose Photography*. Judges may bestow or withhold *any* award, including ribbons, as they see fit. The decision of the judges is final.
20. Judges judging the photography section of the show and members of their immediate family should not exhibit except in classes specified for the judges. Under no circumstances shall any winner from a class for judges or members of their immediate family be considered for any show award other than an award the Show Committee may designate for the judges’ class or classes.
