

The Bulletin of the Deep South District Of the American Rose Society

Winter 2018

Volume 57:4

District Director's Message

By Cindy Dale, Master Rosaria
770-631-3885, rosepro@bellsouth.net

Hi everyone! I've just returned from the ARS National Rose Show and Convention in San Diego as the newly minted Director for our Deep South District. This is an exciting and scary time for me. I have big shoes to fill considering the fine job that my most recent predecessors like Ralph Stream, Karen Prevatt, and Oline Reynolds did. However, I have appointed a knowledgeable and enthusiastic team of officers and committee chairs to help me lead. That list is on the next page in case you would like to contact any of them and the asterisks indicate the Board members.

Our first DSD event for the year is coming up soon. The annual Mid-Winter Meeting in Gainesville, FL is on January 18-20, 2019. Tampa RS will be hosting and they have a wonderful week-end planned for us with an arrangements workshop, 2 evening social events, a CR School, wonderful speakers, and the ever-popular raffle! This a great time to pick up pre-ordered roses and rose products from Beaty Fertilizer and H.L. Shealy and avoid the shipping! The hospitality area is the ideal place to kick back, enjoy refreshments, and talk roses with folks from Alabama, Georgia, and Florida. Look for the Schedule of Events and Registration Form in this issue. I hope to see all of you there!

The sad news is this could be our only district event of the year if we don't get a host for our 2019 Fall Convention and Rose Show. Right now, no one has stepped forward to

volunteer and time is getting short to plan a convention. If your society hasn't hosted one in a while (or ever) please discuss it with your officers and let our Site Selection Chair, Chris Woods, know ASAP at cewoods1268@yahoo.com. DSD has a convention planning guide and there are people in the district that can advise you every step of the way. Your society gets to keep most of the profit! Please don't let this be the first year in many years without a Fall Convention!

Did you know we have an excellent DSD Facebook page? Chris Van Cleave and I are page administrators and we keep it fresh and relevant by adding daily postings of rose photos from around the world, educational articles, and news about ARS and DSD events. We have a 5-star rating and about 100 followers but we'd like to have many more! Our DSD website has just been updated by Phil Paul so check that out too. Don't forget to make use of both the Facebook page and the website to publicize your society events.

Chris VanCleave interviewed me for our Facebook page and I thought my answers below would help you get to know me better.

5 Questions for District Director Cindy Dale:

What's Your #1 Priority as District Director?

I'm excited to be the new DSD Director and my first priority is to support the 25 local societies in the district and help them grow. #2 would be to increase everyone's involvement in district activities.

How Many Roses Are You Growing?

I grow 270 roses in our 1/2-acre garden in Peachtree City, GA. I started 23 years ago and knew nothing about growing roses but my knowledge grew steadily after I saw a notice for a local rose show, went to it, and joined the rose society - South Metro RS - that I have been President of twice as well as current Newsletter Editor and Rose Show Chair. I also belong to Gr. Atlanta RS.

What Does the ARS Mean to You?

The ARS is the largest single-plant horticultural society in the USA and they have proven leaders who work on all levels to help everyone grow and enjoy roses, do rose research, and just recently they have added the preservation of rare or almost extinct roses to their mission. I love this organization and these leaders because they are not sitting in some ivory tower in headquarters in Shreveport. They are like parents who support us, care about us, and will do everything in their power to help us succeed on the district and local levels. The ARS Board members work among us by belonging to local societies and understanding our issues. Yet, they can also see the bigger picture that we can't and are at work on important projects like the Great Garden Restoration at the American Rose Center in Shreveport to totally revamp the gardens over the next 5 years and make them "America's Rose Garden" that we can all be proud of!

What Makes A Rose Society Thrive?

A good local rose society thrives because it has energetic leaders who strive to keep things fresh and interesting with their meeting programs and community involvement such as pruning clinics, nursery outreach days, and Rose Shows whether judged or unjudged. Newspaper and social media announcements are so important to get new members to the events or meetings and newcomers must be warmly greeted and made to feel at ease. In all my announcements, I stress that our meetings are free and you do not have to be an expert to visit or join a rose society. I think the public has this misconception of us effortlessly growing all these fabulous roses when we struggle with the same garden challenges as everyone else and have society members that range from novice to intermediate to expert level rose knowledge. New members are the lifeblood of a rose society and they must be encouraged at every turn. For instance, SMRS provides a personal CR mentor to every new member for the first year of their membership. Also, the new ARS leadership is looking at doing away with some rose show disqualification rules, especially in the novice or small garden classes, to encourage, not discourage new exhibitors.

How Can Members Contact You?

I welcome our members' suggestions and questions and am available for anyone to contact me at any time at rosepro@bellsouth.net or [770-631-3885](tel:770-631-3885)

We have much to do in the next 3 years and I hope I can count on all of you to work with me. David and I send our warmest wishes to you and your loved ones for happy holidays!

California Dreamin'

By **Bobbie Reed**, *Master Rosarian*
770-979-4237, berdks@mindspring.com
All photos by *Bobbie Reed*

Don and I have been enjoying American Rose Society conventions for about 20 years now, going as often as we can. In addition, we've been attending the Rose Hills International Rose Trials for several years. We were hoping to attend both this fall, although Rose Hills didn't work out due to other commitments. But still, we *had* to go to San Diego, so we put the car in gear and headed west, finding lots of rain in the desert. Huh? We ran into lots of old friends in San Diego, as well as a number of folks from the Deep South District, including **Sara & Al Coleman, Cindy & Dave Dale, Diane & Ray Gillebeau, Lyndy & Wayne Myers, Gail & Bob Pisz, Ralph & Jean Stream, and Wendy Tilley.**

We arrived in time for a garden tour to the Balboa Park rose garden tended in part by San Diego Rose Society members, followed by a photography workshop that ranged from basics to very, very advanced. Some folks loved the computer manipulation sessions, but I thought the discussion of photo composition was most enlightening. That was especially helpful since I had the opportunity to judge photography the next morning at the rose show, while Cindy Dale judged horticulture and Sara Coleman judged arrangements. There were lots of beautiful roses and arrangements, and over 200 photographs.

Lots of speakers, of course. Some noted hybridizers were there, including Ping Lim and Tom Carruth, plus the Rose Hybridizers Association meeting. Some speakers addressed rose preservation – Connie Hilker and Gregg Lowery – while much of Sunday featured the SAVE THE ROSES! live and silent auctions, a project of the California Coastal Rose Society. The roses auctioned at these events were rare or hard-to-find in commerce. One of the roses, 'Colonel Phil Ash', was auctioned for \$375.

There were several festive occasions. The welcome reception focused on Dia de los Muertos, a favorite San Diego holiday, a cross between Aztec and Catholic traditions. Folks dressed in fiesta attire and enjoyed good music, dancing, tasty food, and even a rose trivia game. Saturday night was a fiesta dinner and appreciation ceremony for exiting ARS president

Cindy and David Dale at Ruth Tiffany Garden

The Nicholson Perpetual Challenge Bowl - the most prestigious (and hardest) of the HT trophies, with 9 perfect roses; Nicholson, Let Freedom Ring, Big Time, Miss Kitty, Desperado, Ring of Fire, Gemini, St Patrick, Hot Princess, Veterans Honor won by Bob & Kitty Belendez

largely shared between Satish & Vijaya Prabhu of Columbia, SC, with eight trophies, and Kitty & Bob Belendez of Santa Clarita, CA, with five. The Garden Web Best in Show went to a spray of 'Mr. Caleb' by Ruth Tiffany. Queens were won by 'Marilyn Monroe,' 'Sparkle & Shine,' 'The Squire,' 'Green Rose,' 'Treasure Trail,' 'Memphis King,' and 'Julie Hearne.' Dave Coop won the gold medal photo certificate, while gold medal arrangement certificates were awarded to Barbara Gordon (standard) and Cherry Hoover (mini).

Beyond the show awards, who was honored? The David Fuerstenberg Prize went to 'Tammy Clemons,' hybridized by David Clemons. The James Alexander Gamble Fragrance Award went to 'Neil Diamond,' hybridized by Tom Carruth. The Glenda Whitaker Triennial Award went to Gaye Hammond for her work in building membership in the ARS. The American Rose Society Gold Honor Medal was awarded to Jolene Adams. The new ARS Vice President, Diane Sommers, and the new ARS President, Bob Martin, were also sworn in.

Marilyn Monroe HT Queen, Justin and Lilly Ekuan

Yes, we were busy! The next ARS national convention will be a Mini Convention in Nashville, TN, September 19-22, 2019. That's not all that far away for DSD folks; put it on your calendar and make plans to attend.

One little post-convention story: On the way home we passed through a Border Patrol stop in Arizona, where the drug dog alerted to our car. Several folks who had received fertilizer samples in their goodie bags asked us to take them home in our car, since TSA will not allow these on an airplane. Yup, it was the fertilizer!

Sparkle & Shine, Floribunda Queen

The Squire

Horticulture Judges Chair

By: Joanne Maxheimer

229-403-1419

iamjomax@rose.net

It is my privilege to serve as your Horticulture Judges Chair for the next three years.

This past September it was our pleasure to host the DSD Judging Seminar here in Thomasville. Jim Small our outgoing chair did a great job of reaching out to all the judges that needed to audit in order to keep their certification current. As a result, we had a total of 20 judges who were able to audit and a total of 34 people in attendance. If you find that you are still listed as an active judge and you no longer wish to judge, please notify me. I will get this information to the proper people; this will help when various societies are preparing for their show and need to contact judges. I would also like to thank all the outstanding instructors that helped with the seminar and to the Thomasville and Tallahassee Rose Societies for their hospitality and for providing the great lunch.

We have seen a decline in the number of judges that are currently serving the DSD. As a result, we would like to encourage our rose society members to let us know if you would like to become a judge. Hopefully we will be having an accredited judging school in the near future.

My many thanks to Jim Small for being such a great help and his continued support as I begin this journey of being the Horticulture Judges Chair.

I'm looking forward to seeing all of you at our Mid-Winter in January. In the meantime, have a Wonderful Holiday Season and Blessings for the New Year.

DSD Arrangement Judges

By Sandy Dixon

sandyfdixon@comcast.net

Hello and welcome all arrangement judges for the Deep South District and anyone interested in arranging roses! We hope that you find some tidbits of information to grow your skills and interest in creating beautiful rose arrangements in the coming years.

For those who may not know me, I am Sandy Dixon, a past national chair of arrangement judges and longtime member of the Jacksonville Rose Society. My most immediate past service to the district was as co-chair of the May, 2018 ARS National Mini Rose Conference and Rose Show which included our annual district rose show and convention. For those that may not have been able to attend, we were honored with an exciting arrangement workshop instructor from the west coast, Kreg Hill. He used color like a mad scientist – a wonderful and invigorating creative spirit. I hope some of his energy rubbed off on us.

In upcoming arrangement workshops we will vary the themes and design styles, add terrific arranging toys and tools, and give some of our more experienced arrangers a platform to share their vast knowledge. Our next opportunity is our Mid-Winter Meeting in January. Be sure to arrive early on Friday afternoon so you can be part of the hands-on fun. BRING your clippers! Everything else will be provided. You may bring a tool box and background/underlay. There needs to be a cutoff date for sign-up so we can insure enough materials, so don't delay. I need two weeks to confirm shipments of ordered materials. We don't want anyone to be left out, but you have to do your part – send in your registration by the end of December so I can have my order in by January 3rd! See you in January!

Sandy

Roses in Review

By Cindy Dale, Master Rosarian, & David Dale
770-631-3885, rosepro@bellsouth.net

The 2018 ‘Roses in Review’ (RIR) reporting process probably faced the most challenges in the history of the program due to website reconstruction and, unlike last year, there was no deadline extension. To say that it was frustrating for the reporters, the district chairs, and the national chair is a massive understatement. Therefore, we’d like to extend an extra thank you and pat on the back to all you conscientious DSD rosarians who made the extra effort and perhaps tried several times to record your reviews. When the *ARS Handbook for Selecting Roses* comes out next year you will know that you provided the critical information that allowed this publication to continue being the important and helpful resource that it always has been.

This year 70 DSD reporters (96 last year) contributed 289 reviews (282 last year) on 111 rose varieties (101 last year) or contributed by stating they grew none of the reviewable roses. Consulting and Master Rosarians are expected to participate. 59 of our DSD CRs/MRs (out of a total of 108) participated this year which was actually a tiny increase of 4 from last year. This translates to 55% of our CRs who made the effort to participate compared to 56% 2 years ago and 50% last year.

As you see, we did have a large decrease in the number of reporters this year but I attribute this mostly to the website problems. The news is not all bad. The number of reports and number of different rose varieties that were reported on actually increased. As previously mentioned, the number of CR reporters increased very slightly. Even with blaming many problems on the RIR system, we still have much room for improvement. Considering that our district includes 25

local societies of Alabama, Georgia, and Florida, 70 reporters is not nearly enough.

In the next newsletter, we'll break down the highest garden ratings by rose classification for our district to give you some suggestions for your spring purchases.

As your new District Director, I will be working with our new RIR Chair, Jill Haisten of Wiregrass RS, to encourage better participation in this important program. Thank you for the support you have given David and me for the last 3 years as your RIR co-chairs!

2019 ARS Calendar

Consulting Rosarian Report

By Linda Schuppener, *Master Rosarian*
904-272-7885, linda2742@comcast.com

I would like to introduce myself in this article, though many of you already know me from when I served under Karen Prevatt as the DSD Secretary for six years. I now have the pleasure of working with Cindy Dale, our new District Director. After reviewing the vast amount of material that our CR Chair, Wayne Myers, sent me in the transition, my accolades to him on a job well done. Thank you, Wayne, for your years of service.

I live in Winston, Georgia, a little rural community about 40 miles west of Atlanta. I work for the Bowden Spratt Law Firm in downtown Atlanta, specifically as Henry Bowden's assistant. We have been a team for the last 28 years. He has no plans to retire, so consequently neither do I. If only I had a helicopter to get to and from work, it would be the perfect job. 😊

My husband, Mark, and I have a small 4+ acre tract of land and when I am not commuting to and from Atlanta two hours a day, I am a country girl farmer. We have a rescued horse named Hope, a rescued nanny goat named – of course, Nana, and 60 to 70 laying hens. The farm fresh egg business is thriving, so many of my hours before and after work is spent collecting, washing and selling eggs!

Now a little CR business. As you know, sending in the annual DSD CR report is mandatory for all Consulting and Master Rosarians. The 2018 form is included with this newsletter. Unfortunately, the participation rate has steadily been declining over the years. We hope to turn this trend around! I am excited to tell you that the new Board has come up with an incentive program that uses gift card drawings for those that send in their reports! This is how it works - if you send your report to me by mail or email (linda2742@comcast.net) by **January 15, 2019**, you will be entered into a drawing to be held at the Mid-Winter Membership Meeting. Two names will be drawn during that meeting to win \$20 VISA gift cards! If you are not present, you may have someone else pick it up for you or it will be sent to you.

The actual CR report deadline is still **February 1** and those who do not meet the “early bird” date before Mid-Winter should still send in their reports. I will do a drawing from those names for

Purely Organic

A unique blend of alfalfa meal, cottonseed meal, fish meal, blood meal, steamed bone meal, rock phosphate, sul-po-mag, kelp, greensand, and other natural ingredients.

—No activated sludge—

An all natural product, this complete rose food is used extensively by top exhibitors in the Southeast.

We also carry an extensive line of fungicides, pesticides, soil additives and rose grower's supplies.

Contact us for our complete price list.

4658 Augusta Hwy Gilbert, SC 29054
(803) 892-2651 Fax: (803) 892-5575
JimsOrganic@pbtcomm.net

two \$10 gift cards which will be sent to the winners! (Note: DSD Board members are not eligible for this incentive program.)

If you have no CR activity to report for this year, please send in your report anyway because you are still eligible for the drawing! If you find your CR activity levels have dropped and you have 10 years of service, you may want to consider converting to Emeritus status. I will be glad to help you with that conversion.

This is a trial program and if it results in a significantly higher participation rate, it could be continued or improved for the 2019 reports. Your feedback on this is welcome to me.

2018 CR Report

From the Treasurer

By Kay Harrell, *Master Rosarian*
kay@fairmarsh.com, 912-634-0323

Congratulations to most of the local rose societies in the Deep South District for over the past 12 months, you have sent in your annual dues for 2018! These Annual Dues pay the nominal, ongoing expenses of the DSD, including paying the ARS for various District certificates that are awarded to our members.

That said, as the DSD's chief bill collector, please remember that each local society's payment to the DSD is due by the **end of May**. This year, 18 local rose societies have made their contribution to the DSD. But, I'm still waiting for a check from:

Gadsden, AL RS and Savannah, GA RS

If you are a member of one of these, please ask your Treasurer to promptly send your dues to me. If you know their status, please email me whatever information you might have about them.

Thank you,

Kay Harrell, DSD Treasurer

121 Shore Rush Circle
St. Simons Island, GA 31522
kay@fairmarsh.com, 912-634-0323

Membership Matters

By **Alba Sequeira**, *Consulting Rosarian*
205-987-9184, alba_sequeira@bellsouth.net

Remember our Rose Societies

It is an unexpected honor to have been asked to serve as Membership Chair for the Deep South District. My predecessor, Chris VanCleave, is a tough act to follow. With the help of you, my fellow DSD members, I hope to continue the

work Chris and other mentors have invested in growing the ARS and local rose societies.

If you remember stopping to smell a rose when you were a child, I envy you. If you have a memory of a rose your grandmother or grandfather grew, I envy you. You see, I grew up in Kuwait, with the dubious fragrance of dust bunnies.

What I do remember, is my mother telling me stories about how she loved roses and tried to grow them from cuttings when she was a child. She laughed as she recounted how she pulled up the cuttings every day to see if they had roots and how disappointed she was that the cuttings never took! As an adult she was the most amazing gardener I've ever known, growing eggplant and green chillies (hot peppers) in empty milk and biscuit (cookie) tins on our tiny balcony in the suffocating Kuwait heat.

Most, if not all of us love growing roses because someone we love(d) shared their love of roses with us. Someday, I hope my grandson will say, "I grow roses because my Bubbie loved them and shared her love of roses with me".

So what can we do to ensure that this amazing legacy does not disappear?

- **Start locally:** Be proud of your local rose society and share your knowledge with folk while you are out and about - shopping for roses, on the internet, in chat groups... let people know we are here and that we are a group dedicated to teaching and learning about roses.
- **Invitation to join:** You'd be surprised at how many people join just because they are invited. You're no worse off if they decline, but you're certainly better off if they accept.
- **Be inclusive:** Using name tags lets new members and visitors know who you are, talking to them puts them at ease, asking them to participate or assist with shows and programs makes them feel included.
- **Help them learn:** Provide new members and visitors with resources in the form of handouts, newsletters, programs; give them a "hobby" card with your contact information if they have questions later.
- **Re-member our local societies and the ARS:** To continue our legacy as an organization dedicated to promoting the culture, preservation and appreciation of the Rose, we need to

learn to “replace” ourselves, i.e., ensure that we have new members to continue this legacy. So the next time you speak to someone who is not yet a member, **remember** why we are here and **re-member** our organization.

What's New on the Web?

By Phil Paul, *Master Rosarian*

941-345-4911, roseguy-pfp@tampabay.rr.com

What's New on the Deep South District Website (as of October 28th, 2018)

Here are the newest changes to our Website

With the new ARS and DSD Leadership being installed at the Fall National Meeting in San Diego October 26 through October 29th there are many changes on your website.

In the Organization Tab:

Cindy Dale's new Welcome message

The New Officers and Committee Chair for the rest of 2018 and 2019 2021

The October Update for Local Societies – Society Presidents

The Latest Judge Lists from 2018 including Jim Small's August Update

(These lists will be changed as needed by our new Judging Chairs)

The District Service Awards were lost in this summer's Malware Attack and

have now been reposted and are up to date.

Anita Smith Award for 2018 will be awarded at the Mid-Winter Conference.

In the Upcoming Events Tab:

The 2019 Mid-Winter Meeting information including an overview of the Meeting, The Final Schedule of Events and the Registration Forms are all posted.

Please Send Bet Sobon (Our New Bulletin Editor) and Phil Paul (Our Webmaster) Your Events for us to post in both media to assure your reaching as many attendees as possible. Our addresses are on the Officers & Committee Chairs List.

In the Photo Gallery Tab:

The 2017 Photo Contest Winners are now Posted.

In the Resources Tab:

The DSD Bulletin tab includes 3 Bulletins for 2018 edited by Bobbie Reed and will soon contain Bet Sobon's first issue.

The Issues Archive now contains all Issues from 2011 to 2017

Other items will be added as the new Chairs get started.

In the DSD Library Tab:

There no new additions

Cindy Dale was the first contributor to our library in 2014. 5 of her articles are posted to help you get to know Cindy and her long and valued contributions to DSD!

Rose Show Results

The Bulletin attempts to provide a complete list of local and district rose show results in each issue. For this to occur, someone at each rose show must gather and transmit complete results, as an Excel (preferred), Word, paper, or e-mail document. Results should be sent within one week after the show, and should include class description, winning rose(s), and exhibitor's name, plus arrangements theme and additional awards (medal certificates and rosettes). These transmissions are in addition to those you must send to the ARS national horticulture www.roseshow.com and arrangements jim@fairmarsh.com quarterlies. Your timely cooperation is appreciated. – The Editor

Greater Gwinnett Rose Show October 13, 2018
